

Indian Hills C.C. - Local Rules

Out of Bounds

All areas beyond *Out of Bounds* stakes at a public road are *Out of Bounds*. For example if on your tee shot on #3 Choctaw hits the cart path, crosses the road and comes to rest on #4 tee the shot is *Out of Bounds* and cannot be played.

Out of Bounds:

Choctaw #6 - also right of green between the Blue topped white stakes, the water's edge on the opposite side of the penalty area define out of bounds.

Cherokee #9. Parking lot is Out of Bounds.

Seminole #9. Practice area is out of bounds, you must replay the shot from the place you last played the ball.

Cherokee Hole #4 & 5 The opposite hole is to be played as a penalty area. (See Rule 17) The opposite bank and beyond is considered unplayable. Players are not permitted to drive around or cross over to play their ball. Balls may be re-hit from the spot the original ball was last played. A ball may be dropped within two club lengths, no nearer the hole, of where the ball last crossed the margin of the penalty area of the hole being played.

Relief from new sod and newly trenched areas

Sod seams and newly trenched areas for lie of ball and area of intended swing only. All seams in the sodden area are considered as the same seam. Drop in the nearest point of relief, no closer to the hole.

Greenside Fans and Greens Covers stored greenside are deemed Temporary Immovable Obstructions (TIO)

Interference by a TIO occurs when (a) the ball lies in front of and so close to the TIO that the TIO interferes with the player's stance or the area of his intended swing, or (b) the ball lies in, on, under or behind the TIO so that any part of the TIO intervenes directly between the player's ball and the hole and is on his line of play. Interference also exists if the ball lies within one club-length of a spot equidistant from the hole where such intervention would exist.

A player may obtain relief from interference by a TIO as follows: (a) the point on the course nearest to where the ball lies must be determined that (a) is not nearer the hole, (b) avoids interference as defined in Clause II and (c) is not in a Penalty area or on a Putting green. The player must lift the ball and drop it, without penalty, within one club-length of the point so determined on a part of the course that fulfills (a), (b) and (c) above.

Aeration Holes: In the *General Area*, a ball that comes to rest in or on an aeration hole may be lifted, without penalty, cleaned and dropped as near as possible to the spot where it lay but not nearer the hole in the General Area. All aeration holes are treated as the same hole.
