Tie breaker: Ties will be broken by scorecard playoff using the aggregate of 4 lowest handicap holes and then working backwards from the #5 handicap hole, etc. until a winner is determined.

Procedure for Threesomes:

One player will hit two drives on the first hole (Player hitting two tee shots must be rotated in the order listed on the scorecard). **The second player** will hit two second shots, and the **third player** will hit two third shots. This rotation will continue throughout the round. The number of times a player must play his ball (above) does not change except the missing player requirement is dropped.
